

This nautical chart depicts the coastal waters of Korea, specifically the area around Busan. The chart includes the following features:

- Geographic Labels:** '대 박섬(39)' (Daepak Island) is labeled in Korean. 'Q20m8M' and 'BV' (Buoy) are labeled near the buoy's location. 'Obstn' (Obstruction) is noted near the bottom right.
- Depth Contours:** Numerous depth contours are shown in meters, ranging from 1 to 32 meters. Shaded areas indicate depths of 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, and 32 meters.
- Navigation Aids:** A compass rose is located near the buoy, showing a magnetic variation of 1.50C. A speed limit of 2.6kn is indicated in the upper left.
- Other Features:** A fish symbol is present in the upper left. A dashed line indicates a 'SSh' (Shoal) area. A solid line indicates a 'GS' (Ground) area. A dotted line indicates a '20' (20m) depth contour.
- Coordinates:** The chart is bounded by latitude 37° 4' N and longitude 126° 34' E.
